
CALLED TO BUILD PEACE

PEACE DAY 2016

Called to Seek Justice • Called to Love One Another

PEACE DAY PRAYER

Loving God of Peace,
Help us to rest in your love and know that
we are your beloved children of God.

Children called to love.
Children called to build peace.

Our world, our communities, and our
hearts desire peace but we often fall so
short of your desires and hopes for us.

May we follow you in word and deed to be
instruments of your peace and vessels of
your justice.

Amen
