

Visions & Dreams of a Living Peace Church

The Living Peace Church (LPC) call is for every church “to live and teach as Jesus lived and taught,” and bears fruit of the “Visions & Dreams of Building Peace” from many generations.

In 2014, On Earth Peace is beginning pilot projects of Living Peace Church sites with several churches, including some from the Church of the Brethren, and some from other denominations.

Each committed church will identify itself as a Living Peace Church and will discern at least one enduring service outreach for the entire church community to do together to embody this commitment. They also will share their stories with the public and other churches.

“The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord’s favor.”

- Isaiah 61:1-3 | Luke 4:18-19

To Share Together:

- Why did Jesus choose these verses to announce his public ministry?
- What might we expect a Living Peace Church to look like?
- How might it be different from what we see in our church today?

More information about the Living Peace Church pilot program is available by emailing Bill Scheurer at bill@onearthpeace.org

Thousands of churches and community groups will pray and act for peace as part of Peace Day 2014. Thank you for building peace and reducing violence on September 21, 2014.
